**ANNUAL
REPORT**

OUR MISSION:

**TO DELIVER PROVEN RESOURCES TO HELP
MILITARY KIDS AND THEIR FAMILIES
CONNECT AND BUILD RESILIENCY IN THE
FACE OF EXTRAORDINARY CHALLENGES.**

Letter from Executive Director

Dear Comfort Crew Supporters,

The Comfort Crew for Military Kids (CCMK) is a 501(c)(3) public charity established in 2007 to honor, celebrate, and support military children.

Our mission is to deliver proven resources to help military kids and their families connect and build resiliency in the face of extraordinary challenges. Tens of thousands of military families are faced with extraordinary circumstances every year.

With the help of our stakeholders, last year we delivered programs and resources to 20,000 military kids and their families across the country and abroad.

The generosity of our donors and partners makes it possible for us to deliver program resources that support and comfort military children and their families dealing with extraordinary challenges including multiple deployments, injuries, and loss. The best way to illustrate the impact of your gift is to hear directly from a military spouse after receiving one of our resources to support kids dealing with a deployment:

"The memories these kits create aren't just of the long and challenging days, but also a reminder that each deployment and separation come with a reunion, they don't just give kids comfort, they give kids hope."

Thank you for embracing our mission by strengthening military families.

Respectfully,

Angela Salyer

"Our 3rd grader appreciated the deployment journal and the post cards which gave her the opportunity to 'pen pal' with Dad over the 8 months in which he was gone."

-Military Spouse

"These adorable kits carry significant meaning to each child who received them. For my kindergartener, it was receiving her kit at school. She was all smiles running to me at school pick up sharing that (she) got something special to help her while Daddy was gone."

Highlights

With You All the Way! Tour Relunched

In April 2022, the Tour was presented in San Antonio, TX and Colorado Springs, CO to a total of 2,500 kids. CCMK continued to share skills to help kids cope with the challenges they face, especially those unique to growing up in a military family.

"I thought this was the most amazing assembly we have ever had. We have a tough group of older students that really benefited from this. You could also hear a pin drop. The kids were so engaged."
